FTE by Academic Term

FTE is a function of credit hours that the state uses to determine enrollment. For example, the amount of credit hours earned by all students in Fall 2016 (FTE 483.17) is the same as if a little over 483 students took a full 30 credit hours during a school year.

Pell Eligible

* FTE is a function of credit hours that the State uses to determine enrollment. For example, the amount of credit hours earned by all students in Fall 2016 (FTE 483.17) is the same as if a little over 483 students took a full 30 credit hours during a school year.
