2022-2023 financial aid eligibility is based upon the information you provided on the 2022-2023 Free Application for Federal Student Aid (FAFSA). A request for professional judgment is appropriate when you, your spouse or your parents experience a change in income that was reported on your original financial aid application. This request must include a written statement, attached to this document that discusses the reason for the requested change. This request form, along with SUPPORTING DOCUMENTATION, must be submitted to the Office of Financial Aid before the middle of the term in which you are requesting consideration. A request without documentation will not be considered.

Students will be notified in writing when a decision is made. This notification may be in the form of an award letter and/or corrected Student Aid Report. Each request will be reviewed on a case by case basis. Approval or denial of the appeal will be determined by a Financial Aid Officer and is final. Approval of this application does not guarantee that you will receive any additional financial aid. Please note, any unemployment benefits may be considered along with year to date income in projecting income.
